**7-8:30 pm**  
**Merrill Gardens**  
**2418 NW 56<sup>th</sup>**  
**Seattle, WA 98107**

### 7-710p. Introductions

#### 710-745. Mike O'Brien, Seattle City Council District 6

Whether or not you think Seattle's on the right track, this will be your opportunity to either thank or complain to the main person who represents you (and works for you) at City Hall. Bring your questions about housing, transportation, land use, homeless, and more.

#### 745-815. Marilee Rack, SPU Ship Canal Water Quality Project

Seattle Public Utilities and King County are working together to build an underground storage tunnel to prevent combined sewage overflows into the Ship Canal, Salmon Bay and Lake Union. The storage tunnel will be approximately 2.7 miles long and will go from Ballard to Wallingford. In Ballard, the project will be in construction from mid-2018 through 2024, and will include a new pump station at 24th and Shilshole avenues NW.

### 820-830p Other business

New Seasons grocery

**Ballard District Council has been an active coalition of Ballard and Crown Hill organizations for over a quarter century.. Originally established under auspices of the City of Seattle's Department of Neighborhoods we are now independent of the City and incorporated as a Washington State Non Profit. We continue our mission as a forum for community engagement, discussions and information sharing.**
