

BALLARD DISTRICT COUNCIL
A WASHINGTON STATE NON-PROFIT CORPORATION

April 10, 2019 Meeting Agenda

7-8:30 pm

Sunset Hill Community Clubhouse

3003 NW 66th

Seattle, WA 98117

7-715p. Introductions

715-750p. Andres Mantilla, Director Seattle Dept of Neighborhoods

Several years ago then Mayor Murray significantly changed the way the City engages with neighborhoods in terms of both information sharing and soliciting feedback on projects and programs the City was already undertaking or considering. Under current Mayor Durkan, this trend has continued. Mantilla, appointed by Durkan, will tell us about this new approach, how well it has been working, as well as address your questions and concerns about neighborhood involvement.

750-820p. Member Organization Updates/Open Forum

Following up from our Jan 2019 mtg, we will have brief updates from several more member organizations. Each organization can give a short (approx. 5 minute) overview – a recap of 2018 accomplishments and a preview of plans for 2019. We'll try to share meeting minutes afterward on the BDC Facebook page and the BDC web site and post on Nextdoor and My Ballard, so that there's some outreach to the community. If time permits, there will also be an opportunity for attendees to briefly talk about specific concerns they have, which will help the BDC continue to develop our agenda for 2019.

820-830p Other Business/Discussion

Ballard District Council has been an active coalition of Ballard and Crown Hill organizations for over a quarter century.. Originally established under auspices of the City of Seattle's Department of Neighborhoods we are now independent of the City and incorporated as a Washington State Non Profit. We continue our mission as a forum for community engagement, discussions and information sharing.
